### JUROR:

Dr. Annette Cohen received her BFA from Massachusetts College of Art and Design, an M.Ed. from Antioch New England Graduate School, and her Ph.D. in Leadership and Change from Antioch University. She is an educator by profession and an artist in sensibilities. Her current role as a Professor of Fine Arts and Digital Design includes being a curator for the Gateway Gallery at Great Bay Community College. Her personal work includes drawing, painting, pottery, art history research and digital painting. Her work has been featured in galleries in New England and in Melbourne, Australia. Her passions include visiting galleries and art museums all over the world, and bearing witness to the growth and development of her students.

### EXHIBITION GUIDELINES

The Monotype Guild of New England invites MGNE members in good standing to submit up to two large 2-D monotypes and monoprints for a juried exhibition at Gateway Gallery at Great Bay Community College. (There is no jurying requirement for membership in MGNE. To join or renew your membership, visit [MGNE.ORG/membership](http://MGNE.ORG/membership).)

### ELIGIBILITY

Members in good standing may submit two pieces for consideration which have not been shown at a previous MGNE exhibit for a fee of \$25.00. The MINIMUM print size of any submission must be 660 square inches (image only, not to include mat). There is no maximum size. Work that differs significantly from the image submitted may be refused by the juror upon arrival.

### FRAMING AND INSTALLATION GUIDELINES

The MGNE framing guidelines for this event will be waived given the potential size of your print. We ask you to consider the following: The area is light, open and airy and is used as a meeting place and entrance for the college. Because of doors that open to the outside, you will want to have some type of weight to your installation to prevent blowing and movement of the work. Your work surface should be protected in some fashion and be assembled in such a way that it can be hung on a wire system that has a hook.

Please include a description of your installation plans with your entry under the section 'Statement.' Tacks may not be used in the wall surface.

### ENTRY PROCESS

Only JPEG files of artwork will be accepted. JPEGs must be 1800 pixels on the longest side and have a resolution of 300 dpi. JPEGs must be titled this way: last name\_first name\_entry #(example: smith\_jane\_2.jpg).

### INSURANCE

Great Bay Community College does not carry insurance for work on display in this space, but security personnel are present during all open hours.

### SALES

Sales will take place between the artists and potential buyers. Great Bay Community College will provide contact information to connect artists with purchasers but takes no commission. The Gateway Gallery will provide a binder with your Bio and CV for prospective purchasers as well. You will be asked to provide this after acceptance into the exhibition.

### DELIVERED/SHIPPED WORK

Accepted work may be hand delivered to the Gallery on October 27, 2016, 4-8 pm. All shipped work must be sent to arrive the week of October 23-28. You must include a pre-paid return label from UPS or FEDEX with your shipment. We cannot deliver to the U.S. Post Office. We cannot accept work with packing peanuts. Please use a sturdy box that can be reused for return. Work arriving late may not be hung. Work arriving damaged will be returned immediately. MGNE member volunteers will handle your work with the care and respect that they accord their own work, but we cannot be responsible for damage. Shipping address: Gateway Gallery, Great Bay Community College, 320 Corporate Drive, Portsmouth, NH 03801
